Execution and Return of Declaration of Candidacy

After all information has been declared on the Declaration of Candidacy, the candidate must sign the Declaration before an authorized official, such as an elections official.

The executed Declaration of Candidacy must be filed in the office Elections Office no later than August 10th by 5 p.m. *EC §8028*

Candidate's Name on Ballot

In filling out the Declaration of Candidacy, the candidate must decide how his or her name should appear on the ballot. This should be recognizable as the name under which the candidate is registered; though the two need not be identical. (Example: a candidate registered as "James William Smith" may use such variations as "James W. Smith", "Jim Smith", "J. William "Bud" Smith".) The law prohibits the use of a title or a degree on the same line of the ballot as the candidate's name. If a name change has occurred within one year of any election, the new name may not be used on the ballot unless the change was made by marriage or by court decree.

EC §13104, 13106

Designation under Name on Ballot

The candidate may also state the designation, if any, to be used under his or her name on the ballot. Elections Code section 13107, provides that the candidate may use only one of the following designations.

- (1) Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination papers to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior, municipal, or judge.
- (2) The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of superior, municipal, or judge, was appointed to that office.
- (3) No more than three words designating the principal profession, vocation, or occupation of the candidate. For purposes of this section, all California geographical names shall be considered one word.
- (4) The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed". However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326, 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of the Elections Code."

No Ballot Designation

A candidate who does not want a ballot designation may indicate this in the space provided for ballot designation on the Declaration of Candidacy, or the space may be left blank. If no designation appears on the Declaration when filed, it will be assumed that none is desired.

Restrictions on Ballot Designation

Elections Code 13107 (e) prohibits any designation which:

- (1) Would mislead the voter.
- (2) Would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous or eminent.
- (3) Abbreviates the word "retired" or places it following any word or words which it modifies.
- (4) Uses a word or prefix, such as "former" or "ex-", which means a prior status. The only exception is the use of the word "retired".
- (5) Uses the name of any political party, whether or not it has qualified for the ballot.
- (6) Uses a word or words referring to a racial, religious or ethnic group.
- (7) Refers to any activity prohibited by law.

If, upon checking the nomination documents, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents.

The candidate shall, within three days from the date of receipt of the notice, appear before the elections official or in the case of the Secretary of State, notify the Secretary of State by telephone and provide an alternate designation.

In all cases words so used shall be printed in 8-point roman uppercase and lowercase type except that if the designation selected is so long that it would conflict with the space requirements of Elections Code Section 13207 and 13211, the elections official shall use a type size for the designation for each candidate for office sufficiently smaller to meet these requirements. *EC §13107(f)*.

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office. *EC §13106*.

Change of Ballot Designation

No ballot designation given by a candidate shall be changed after the final date for filing nomination documents, except specifically requested by the Elections Official or the Office

of the Secretary of State because the designation requested **is not** acceptable under Elections Code Section 13107(e).

Ballot designation of “Community Volunteer”

- (a) A candidate’s ballot designation as “community volunteer” shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:
 - (1) A candidate’s community volunteer activities constitute his or her principal profession, vocation or occupation.
 - (2) A candidate is not engaged concurrently in another principal profession, vocation or occupation.
 - (3) A candidate may not use the designation of “community volunteer” in combination with any other principal profession, vocation or occupation designation.
- (b) The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

For further information on the candidate ballot designation contact an elections official at (530) 666-8133.

Candidate's Statement

What Is the Candidate's Statement?

The Candidate's Statement (also known as "Statement of Qualifications") is a statement of the candidate's background and education prepared by the candidate on a form issued along with the nomination documents. The Elections Official mails to each voter of the jurisdiction a sample ballot that may contain the optional candidate statement.

EC §13307

The Statement may include the name, age and occupation of the candidate and a brief description of no more than **200** words for school candidates; this limit also applies to city council and mayor candidates.

The statement should be based on the candidate's education and qualifications solely expressed by the candidate.

Filing The Candidate's Statement

A candidate who wishes to have a Candidate's Statement must submit it at the time the completed nomination documents are returned to the Elections Official for filing. It will not be accepted after the close of the nomination period. *EC §13307*

The Candidate Statement must be submitted in hard copy, with an original signature, as well as an electronic (.doc) copy.

Withdrawal of The Candidate's Statement

The statement may not be changed after it is submitted. It may, however, be withdrawn any time during the nomination period up to 5 p.m. of the first working day after the close of the nomination period. The request must be in writing for a full refund. *EC §13307 (a)(3)*

Public Examination of Candidate's Statement

The contents of the Candidate Statement will remain confidential until the time for withdrawing the Statement is closed. At that time there will begin a 10-day period for public examination at the County Clerk's office before the statement is printed. During this period anyone may obtain a copy at cost, and any voter of the jurisdiction may seek a writ of mandate or an injunction requiring any or all the material contained therein to be amended or deleted. The Statement will continue to be considered a public record after the examination period is over. *EC §13311, 13313(b)*

Fines for false statements in candidate statement

Any candidate in an election or incumbent in a recall election who knowingly makes a false statement of a material fact in a candidate's statement, prepared pursuant to Section 11327 or 13307, with the intent to mislead the voters in connection with his or her campaign for nomination or election to a nonpartisan office is punishable by a fine not to exceed one thousand dollars (\$1000). *EC §18351*

Cost of Candidate Statement

Candidates are required to pay the cost of the Candidate's Statement. *EC §13307(d)*

NOTE: For districts that encompass other counties it is required that any candidate requesting a candidate statement must pay the full amount for all counties involved in the election.

A candidate who claims "*indigency*" may submit a statement of financial worth to be used by the local agency to determine if he or she is eligible to submit a candidate's statement without payment of the advance deposit. A candidate claiming indigency must agree to release his/her latest income tax statement and may be required to sit for an interview with a county financial officer. Candidates should note that indigency status will excuse them only from payment of the advance deposit; indigents will still be required to pay the full amount pro rata share of cost after the election. *EC §13309*

Payment Candidate Statement

Each candidate is required to pay in advance and in full, the cost of having his or her statement included in the voter's pamphlet at the time the Candidate's Statement is submitted. Payment can be in cash or personal check or money order. Checks are made payable to **Yolo County**.

In the event that a check is returned with insufficient funds a \$25.00 penalty will be imposed and the candidate statement will not be printed unless the candidate delivers the payment with a money order or cashier's check before the close of nomination.

Campaign Disclosure: What to File

Government Code §84101, 84206, 84209, 84211

Form 501: Every candidate must file a form 501 before they begin receiving any contributions. The 501 must be filed for each election.

Form 410: Every committee (this may be the candidate alone) shall file a Statement of Organization (Form 410) within 10 days after it has qualified (i.e. received \$2000) as a committee. If a committee qualifies as a committee under subdivision (a) of GC section 82013 before the date of the election in connection with which the committee is required to file pre-election campaign statements, they must file a Statement of Organization within 24 hours after qualifying.

Statewide candidates and officeholders, Supreme Court justices, state ballot measure committees, and other committees that support or oppose state candidates and ballot measures, or that support or oppose candidates and ballot measures in more than one county file campaign reports with the Secretary of State and the elections officials for the counties in which they are domiciled. *(provided by the Fair Political Practices Commission)*

Form 700: Candidate committees must file a Statement of Economic Interest.

Form 460: If campaign activity during their candidacy will involve \$2000 or more, candidates and their candidate-controlled committees file jointly on Form 460. There are two pre-election deadlines for candidates to submit a Form 460.

OR

Form 470: Form 470 applies if a candidate expects that less than \$2000 will be received and spent by the candidate personally or by others on his/her behalf. A single filing of form 470 (preferably at the time the nomination documents are filed) fulfills the campaign disclosure filing requirements for the entire Election period. In determining whether Form 470 is applicable, the candidate may exclude payments for filing fee and Candidate's Statement provided such payments were made from the candidate's personal funds.

NOTE: *A candidate who initially files Form 470 and later finds that actual transactions reach \$2000 or more must then follow the filing schedule, using Form 460, and must include in his/her Form 460 any payments made for filing fee and/or Candidate's Statement.*

Form 497: Within 90 days of the election, all committees must file 24-hour reports of contributions over \$1,000. These may be emailed, faxed, or delivered by hand to our office.

- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.
