

**STATEMENT OF CANDIDATE FOR  
WASHINGTON UNIFIED SCHOOL DISTRICT  
BOARD OF EDUCATION TRUSTEE**

**NORMA ALCALA**

Age: 53

Occupation: Parent/Education Director

Schools are the heart of our community. To be successful in school, all children need the head start universal pre-school can provide. And all children need the solid 3Rs of basic education. But our students also need:

- School programs that provide Career Technology and Education (CTE) job training.
- Enhanced parent communication
- Professional development for their teachers to enhance teaching effectiveness

I was raised in Broderick-Bryte where five generations of my family have lived and where I live today. As the director of a youth mentor program in Bryte serving over 400 students, I know the critical role schools play in keeping students on the right path. As a tireless community volunteer, I am committed to fighting for a better life for our children. That is also why my neighbors selected me:

- 2013 Yolo County Woman of the Year, Yolo Concilio
- 2014 Innovator Awardee, Senate Pro Tem John Burton (ret.)

I am a business owner, former California Legislative staffer, and former Yolo County Grand Juror.

Education:

- Sacramento City College
- UC Davis
- Arizona State University

I look forward to serving you as a reasonable, reliable, trustworthy, and friendly school trustee. I respectfully ask for your vote. [See www.normaalcala.com](http://www.normaalcala.com).
