

**STATEMENT OF CANDIDATE FOR  
DAVIS JOINT UNIFIED SCHOOL DISTRICT  
BOARD OF EDUCATION TRUSTEE**

**JOSE J. GRANDA**

Occupation: Mechanical Engineering Professor

VOTE FOR PROF. GRANDA FOR SCHOOL BOARD

I have spent 32 years in the classroom. I know how it is to be a teacher, how to motivate a child, a teenager or a young adult to learn. I also know what the teachers needs are and the problems and where the waste is.

My priorities: quality of education for the students, fiscal responsibility for the taxpayers and support for the teachers.

- If you want a change to a new direction on the School Board, please vote for me.
- I'm not committed to any political party or special interest group. I am an independent thinker, not afraid to make difficult decisions.
- The reputation of the School Board is at an all-time low. I plan to change that by concentrating in quality education for the students, responsibility for the taxpayers and service to the teachers.
- If you want to change the structural deficit. I am your candidate.
- The culture of deficits and endless parcel tax measures needs to end. Schools must be funded by our income taxes not by increasing our mortgages.
- I'm up front and will state exactly what I believe without fear of being politically incorrect.

May I count with your vote?
