

**FOR MEMBER OF THE CITY COUNCIL
CITY OF WEST SACRAMENTO**

JEFF LYON

Occupation: Retired Government Chief

My main focus and commitment as your representative on city council would be to reduce crime and improve public safety in all of West Sacramento. My neighbors and I are very unhappy with the current level of crime in our historic Washington neighborhood. We also do not feel safe when visiting the Riverwalk. The Broderick boat ramp continues to be a dangerous area to visit due to the large number of homeless people illegally camping there. These encampments attract a significant criminal element to West Sacramento. We are tired of the political rhetoric and level of inaction put forth by our current council members, who choose to maintain the status quo. I have been nominated by my neighbors to lead the difficult efforts necessary to effect fundamental and sustainable resolutions to these problems. You can read our straightforward neighborhood homeless action plan at cleanupwestsac.com (see speeches at city council). I am not a career politician. Instead, I am a hard working resident that cares deeply for public safety. If you are not satisfied with the current level of crime and the many unsafe areas in our city, then please join our cause and allow me to serve you in public office.
